
A Special Feature

Stalwarts of IJSIMR's Editorial Board

Dr.K.V.L.N.Acharyulu,
Associate Professor
Department of Mathematics,
Bapatla Engineering College,
Bapatla, Andhra Pradesh.

Dr.K.V.L.N.Acharyulu is working as Associate Professor in the Department of Mathematics, Bapatla Engineering College, Bapatla, Andhra Pradesh. He had his high school education in A.V.V. High School, Bapatla. He obtained his B.Sc degree from Bapatla college of Arts & Science. He studied M.sc(Mathematics) in Bapatla Engineering College. He took his M.Phil. Degree in Mathematics from the University of Madras and stood in first Rank, R.K.M. Vivekananda College, Chennai. He did his M.phil (Mathematics) on Jacobian forms under the guidance of Prof. Manikam who is at present rendering his services as Director, Kerala School of Mathematics(KOSM), Kerala. He obtained his Ph.D from ANU under the guidance of Prof.N.Ch.Pattabhi Ramacharyulu, Retd. Professor National Institute of Technology, Warangal. Nearly for the last fourteen years, Dr.Acharyulu is rendering his services to the students and he is applauded by one and all for his best way of teaching. Eminent scholars throughout the world appreciated his research ability. He has 13 years of research experience. He has participated in many seminars and presented his papers on various topics.

More than 80 articles of him were published in various reputed International journals with high impact factor. He is a member of 150 International Editorial Boards of 30 countries like Canada, America, Indonesia, Malaysia, Australia, Egypt, Pakistan, Britain, China, Singapore, Thailand, Ethiopia, Greece, Kuwait etc. throughout the world. He is an expert in various diverse disciplines of mathematical research. He Served as Program Committee Member of many International Conferences. He is rendering his yeoman and valuable services as President of Advanced Scientific Research Forum. He authored three books on Mathematical research. The titles of the books are "A Text book of Ecological Ammensalism", "An Address to Ammensalism", "A Scientific computational study on Game Theory and huge networks". He is a Member of Various Professional Bodies and created "Three World Records" in research field.

He was adjudged as one of the "2000 outstanding intellectuals of 21 century" and "Top 100 Educators-2011" by International Biographical Centre, Cambridge, England. He was Felicitated in September 2011 by B.R.Sangham, Bapatla for the remarkable research in Mathematical Modeling. He received "Ugadi Puraskar-2012" from Sri B.B.Samakhya, Bapatla in March 2012. He was awarded with "Young Scientist Award" in October 2012 by Khajure Research Foundation and Development Society, Humnabad, Karnataka for research excellency. He also received "Global Indian Achiever's Award" for Education Excellence by Economic Development Forum, Delhi in December 2012 for significant research in Mathematics. He has been honoured with "Bharat Jyoti Award" in February 2013 by IIFS, New Delhi for Meritorious Services, Outstanding performance and Remarkable Role in Research Filed. His name was included in Maquis Who is Who in the World, 30 th Edition, U.S.A. He was awarded with "Best Citizen of India Award-2013" by International Publishing House. He has received "Best Research Article Award" by TJPRC in June, 2013. Recently he is honoured with "Sanga Mitra Award" by

Book of State Records, A.P. He received so many awards and rewards for his research excellency in the field of Mathematics.

Dr. Acharyulu always pays his respects to the teachers who inculcated special interest in Mathematics and Research. At the level of High School, Sri U.V.Narasiah an eminent mathematics teacher created special interest in Mathematics. At the P.G. level, Prof.N.PrabhakarRao,HOD, Department of Mathematics encouraged him. While doing M.phil at Chennai, Prof.Manikam, Prof.Pardhasaradhi, Prof. Ranganadhan and Prof. Vasudevan were the source of inspiration. After hearing the inspiring teaching of Prof.Mahan Maharaj of Ramakrishna Mission, zeal of research blossomed in him. The lion share of his research activity owes gratitude to Prof. N.Ch. Pattabhi Ramacharyulu, Retired professor, N.I.T, Warangal. He is the man who carved the sculpture of Dr.Acharyulu as an international figure.

As Editor-in-chief of IJSIMR, with the cooperation of Academicians' Research Center He did a good job by publishing the articles of Prof.Pattabhi Ramacharyulu under the special series: "Ingenuity of Sri Srinivasa Ramanujan" with the heading of "Some Elementary Problems from the Note Books of Srinivasa Ramanujan" In this serial, Prof.Pattabhi Ramacharyulu solved so many problems that were noted in the notebooks of Srinivasa Ramanujam. This is appreciated by one and all.

ARC has been impressed by his commitment, dedication and sincerity along with leadership qualities.ARC feels proud to say that IJSIMR got world wide recognition under his able editorship. IJSIMR feels it as a pride to have him as Editor-in-Chief of IJSIMR and extends it's best wishes to Dr.K.V.L.N.Acharyulu.
